

Our Mission:

Partners working together, committed to safety and health excellence in the New Jersey Construction Industry, protecting workers and the community.

Memorandum of Understanding

The parties to this Memorandum of Understanding are committed to working in partnership to improve safety and health within the New Jersey construction industry for the benefit of construction employees, stakeholders and the general public.

BuildSafeNJ members believe top management commitment to the Good Construction Practices, set forth below, can elevate the standard of safety and health within the construction industry and beyond.

- ◆ Take personal ownership for the culture of safety throughout the organization.
- ◆ Provide a work environment that is consistently safe.
- ◆ Promote safe behaviour and a positive safety attitude throughout the construction industry.
- ◆ Recognize employees for their safe work practices.
- ◆ Encourage employees, through training and education, to be self-directed and accountable for the safety of themselves and others.
- ◆ Work together with BuildSafe NJ to promote safety as a value in the workplace and the community.

To achieve continuous improvement and consistency in safety and health, BuildSafeNJ members will ensure that the following standards are observed on all construction projects.

- ◆ Provide a written Safety Program which includes a Hazard Communication Protocol and job specific MSDS sheets
- ◆ Use proper PPE
- ◆ Identify "the competent person" per trade
- ◆ Provide site-specific safety orientations
- ◆ Meet all minimum site safety requirements
- ◆ Practice good housekeeping
- ◆ Conduct Job Hazard Analyses for all activities involving risks

By signing below, the parties attest to their mutual interest in achieving the goals outlined above. While this Memorandum of Understanding does not create legal rights or obligations for either party, it does reflect the parties' understanding and open commitment to the continuous management of occupational safety and health within the construction industry throughout New Jersey.
